

## MISSION

The mission of the **Virginia Executive Institute Alumni Association** is to extend the VEI experience by providing opportunities for education, professional training, leadership development, collaboration, and networking with fellow alumni and state leaders to achieve enhanced government performance.

## GOALS

As the alumni association for the Virginia Executive Institute, VEIAA works from the assumption that leadership development in government should be a continuous learning process. To this end, we focus on the following goals:

- Develop opportunities for alumni to learn, connect, serve, and lead.
- Provide continuing education in leadership development.
- Enhance communication and collaboration opportunities among government executives.
- Create a forum to recognize and promote the qualities and assets of the VEIAA.
- To actively recruit participants for VEI.

## STRATEGIES

Members of VEIAA are able to attend regularly scheduled meetings, conferences, speaker series and social events, and other networking opportunities designed to reinforce VEI experiences and provide an opportunity for alumni to come together to learn, and lead discussions on significant policy and administrative matters affecting the commonwealth.

## SUPPORT

All graduates of VEI receive one full year of complimentary membership to VEIAA and can attend all alumni events for free. After the first year, VEI alumni pay \$40 in annual dues to continue their participation or have their agency pay on their behalf. This \$40 investment covers your participation at all VEIAA events throughout the year where you have the opportunity to learn new information and enhance your leadership skills. Paid members also receive access to the VEIAA social media accounts, our semi-annual newsletter, job postings, updates on fellow alumni achievements, and information regarding other leadership opportunities.

## BOARD OF DIRECTORS

The **VEIAA Board** understands the important value of your membership in our alumni association. We consider all memberships to be an **INVESTMENT** in the future of yourself, your agency, and the Commonwealth as a whole. The 2023 Officers and Board of Directors stand ready to support you in your leadership efforts.

Position	Name	Agency	E-mail
<b>President</b>	John Kissel	DMAS	John.kissel@dmas.virginia.gov
